

CSE Charging System Electronics

--- Voltage Regulator & Rectifier

USI is one of the leading DMS solution providers to global automotive industry, fulfilling our customers' needs of Quality, Flexibility, and Cost-Effectiveness

Introduction

USI has more than 20 years of experience and expertise in regulator/rectifier. Every part we manufacture is designed to meet or exceed customer's critical requirements with high-reliability, high-performance and improved technology. We offer total support - from circuit/appearance design, product verification, manufacturing and more – to help customers to create upgraded quality and competitive prices.

- Fully Range Products
- Strong Engineering Support
- TS16949 Quality Certificate
- High Efficiency Manufacturing
- Proprietary ASIC Design
- Comprehensive Validation Test Program

Product Experience

- Voltage Regulators: Delco, Ford, Denso, Bosch, Hitachi, Mitsubishi, Valeo, Motorola, Lucas Series
- Repair Circuits: Denso, Hitachi, Mitsubishi Series
- Rectifiers: Delco, Ford, Denso, Bosch, Hitachi, Mitsubishi, Valeo, Lucas Series
- Rectifier Diodes: Delco, Ford

Quality Award

- TS16949/QS9000 certified: Taiwan, China (Shenzhen) and Mexico (Guadrajala)
- ISO14001, ISO 9001, ISO9002, OHSAS18001, Green Management Compliance ...etc.
- Chrysler "Gold Pentastar Award", "Quality Excellence Award", Ford "Q1 Preferred Quality Award", Siemens-VDO "Top+ Together Award", "Ship to Stock Certification", "Certificate of Honor", Valeo "1000 Certified"...etc.
