HIGH QUALITY PRODUCTS

Founded in 1981, we put top priority on reliability, outstanding service, top-quality products, and high-efficiency production. We aim to provide our customers with excellent products, competitive prices, and thorough after-sales service.

INNOVATION

Continuously innovating to meet the changing needs of the international market, we offer some of the newest and practical products available.

CUSTOM-MADE DESIGN

Custom-made designs are welcomed for the developing and producing of new molds. Customer's logos can also be placed on all OEM orders.
